
HOW TO USE THIS POSTER

Step One: Think about how you would like to engage with your community this P&C Day. Maybe you want to use this March 4th to recruit new volunteers? To promote an upcoming fundraiser? To seek community input on upcoming changes at your school?

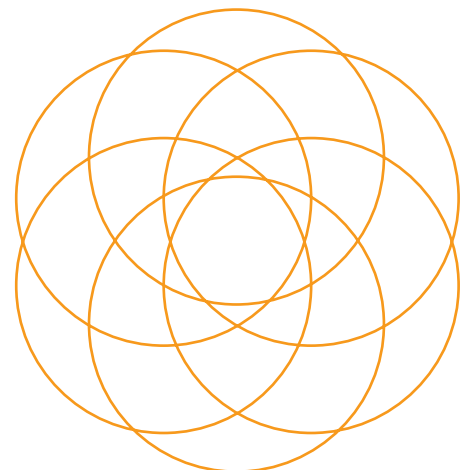

Step Two: Add a relevant photo to the middle of the poster. Show your volunteers having a great time, or highlight a successful project you have recently completed.

Step Three: Add some words to the poster. Let your school community know what you want them to do. For example, "Sign up to volunteer at our upcoming mother's day brunch".

Step Four: Add some contact details to the tabs at the bottom. This could be a link to sign up sheet, an email address or a phone number.

Step Five: Print out some copies and cut on the solid lines at the bottom to create the tabs for people to grab.

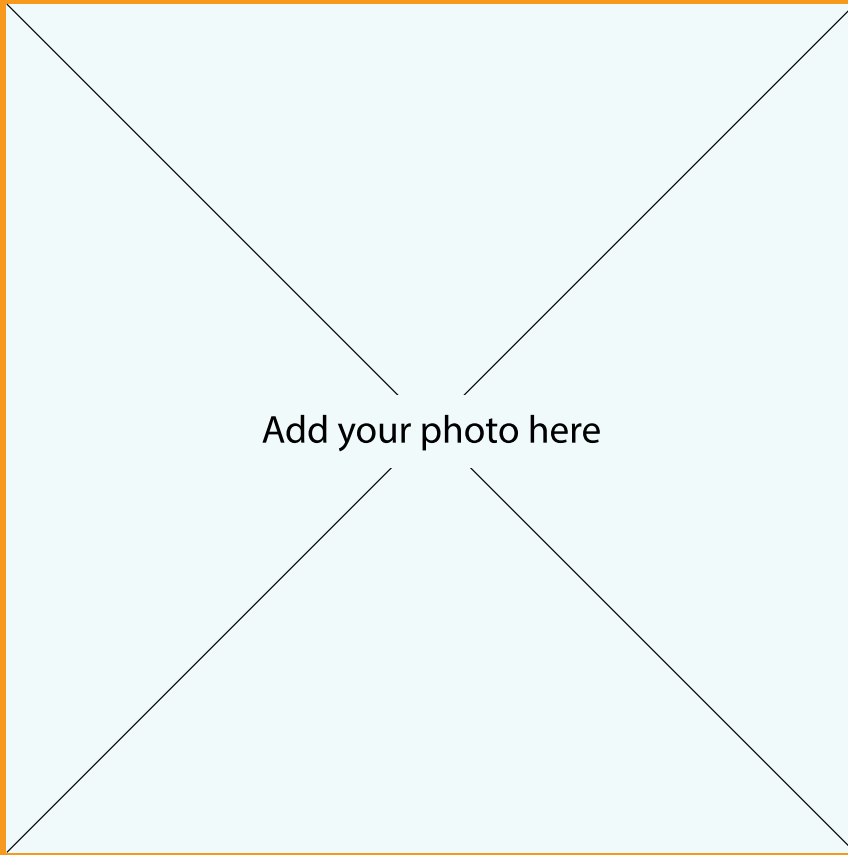

Step Six: Hang your posters around your school.
